

## AMHP Committee Member Description

**Background:** AMHP is seeking participation from individuals who are interested in amplifying the organization's vision and mission at a local and national level. It provides qualified committee members to increase and enhance AMHP's programs and highlight issues that impact our community and to speak to broader issues in which AMHP should have a voice in.

AMHP Committee Members are encouraged to consistently deepen their knowledge and understanding about AMHP's work, present the organization's image to the community positively and actively champion AMHP's vision and mission. Members can participate in a variety of ways to amplify AMHP's programs including but not limited to:

- Publishing articles or op-eds on AMHP's core areas of focus.
- Presenting on public health topics at community organization, mosque, conferences or webinars
- Actively championing AMHP's work and building relationships that can further AMHP's work.
- Representing and promoting the organization to the general public, government agencies, foundations, corporations, and other agencies/bodies/individuals in order to generate good will and encourage support for the efforts of staff and volunteers.
- Promoting cooperative action and harmonious relations with other organizations, including activities and occasions when the organization should take part in coalitions, joint fundraising, or other collaborative ventures.
- Advocating for public health legislation aligned with AMHP priorities by participating in meetings with senate/congressional reps, writing or signing on to relevant petitions/letters and motivating others to be public health advocates.
- Providing recommendations to AMHP Board on financial and governance related policies and procedures.

**Committees:** We are currently seeking candidates to serve on the following committees:

- Mental Health
- Health Policy & Advocacy
- Finance & Fundraising
- Governance

### **Desired Qualifications:**

- A minimum of a Bachelor's degree and 3-5 years of non-profit experience. Prior board experience is preferred.
- Knowledge of the following is an asset: strategic planning, non-profit management, marketing, fundraising, development, public relations, etc.
- Ability to work independently and as a team player to productively engage with others.

**Meetings:** Bi-monthly

**Commitment:** 1-3 hours monthly

**Term:** One Year (January 2022-December 2022)
